

BelHealth Investment Partners and Linden Care Announce Board of Directors

Seasoned group of executives added to assist the Company in the next phase of national expansion

New York, NY – July 26, 2013 – BelHealth Investment Partners (“BelHealth”), a healthcare-focused private equity firm, and Linden Care LLC (“Linden Care” or the “Company”), a leading provider of specialty pharmacy services to the pain management industry, today announced the Company’s Board of Directors. The Board consists of six members, including Governor Thomas J. Ridge, BelHealth Advisory Board member, whose government experience at both the state and national level will be valuable in guiding Linden Care as they continue to grow and address the widespread abuse of controlled substances within the pain management industry nationally through rigorous compliance programs.

Governor Thomas J. Ridge is the President and CEO of Ridge Global, leading a team of international experts that offer expertise across a scope of risk management and core business concerns, including security and infrastructure protection, emergency preparedness and response, strategic growth, and energy and maritime management. Governor Ridge was the first Secretary of the U.S. Department of Homeland Security. Prior to this, he was the 43rd Governor for the Commonwealth of Pennsylvania, where he was first elected in 1995 and re-elected in 1999. Governor Ridge was also a five-time member of the U.S. House of Representatives, beginning in 1982.

The Board also includes BelHealth Managing Partner, Harold S. Blue and BelHealth Operating Partners: Richard Friedman and Richard Wolpov, all of whom have been longstanding pharmacy industry executives. Mr. Friedman has 30 years of experience in the healthcare industry including specialty pharmacy, pharmacy benefit management (PBM) and infusion. Most recently, he served as Chairman and CEO of BioScrip Inc., a publicly traded specialty pharmacy and PBM (Nasdaq: BIOS) and before that he was Chairman and CEO of MIM Corporation (NASDAQ: MIMS), a specialty pharmaceutical and benefit fulfillment organization that partners with healthcare providers and sponsors to control prescription drug costs.

Mr. Wolpov has been advising and operating small to mid-size private and public companies for 20 years. He was founder, CEO and Chairman of Dispensing Solutions Inc. (DSI), a pharmaceutical manufacturer operating a state-of-the-art repackaging facility in Santa Ana, California, which was sold in 2011 to PSS World Medical (NASDAQ: PSSI). Mr. Wolpov founded and currently is Chairman of POC Network Technologies, dba TransactRx, a medical technology company.

Finally, the Board includes Linden Care executives: Marc Wiener and Mark Bortnick. Mr. Wiener is Chief Executive Officer of Linden Care and has been a key part of the management team that has successfully grown the Company to date. Prior to joining Linden Care, Marc founded Vitality Pharmaceutical Services, a provider of specialty pharmacy services to both the patient and physician marketplace in the New York metro and surrounding areas which he exited through a sale to MIM Corp (NASDAQ: MIMS). Mark Bortnick is the founder and Chief Operating Officer of Linden Care. In addition to founding the Company, Mark has been a successful entrepreneur across a variety of different industries including: real estate, food services and commercial maintenance.

Marc Wiener, CEO of Linden Care said, "We have assembled a tremendous Board of Directors and I look forward to leveraging their substantial experience and working with them closely as we build upon our strong regional presence, expand our compliance programs and truly become the 'national center of excellence' to address the obvious need in the pain management marketplace."

About Linden Care

Linden Care, headquartered in Syosset, NY, is a leading provider of specialty pharmacy services to the pain management industry. The Company offers comprehensive and highly personalized specialty pharmacy services targeting multiple growth markets through a unique "concierge pharmacy" business model. Since inception, the Company has distinguished itself by providing robust and differentiated compliance practices as well as a full suite of "specialty" services to meet the needs of patients, physicians, pharmaceutical manufacturers and professional sports teams. The Company will continue to expand this successful strategy, currently focused on the Northeast, throughout the rest of the country, becoming the national center of excellence for pain management.

About BelHealth Investment Partners

BelHealth Investment Partners, based in New York, is a healthcare private equity firm focused on lower middle market companies. BelHealth acquires majority positions in entrepreneur-owned companies we believe would benefit from our vast operating and private equity experience. The firm typically invests \$10-25 million per platform company across three healthcare segments: Services, Information Technology and Products & Distribution. Applying an active, hands-on approach, BelHealth utilizes its experience to support management to drive revenue, profit growth and achieve superior returns for our investors and partners.
