

Linden Care Bolsters Executive Team with Key Addition

Highly Accomplished Pharmacy Executive, Anthony D. Luna Joins as Executive VP of Sales

Syosset, NY – December 11, 2013 - Linden Care LLC ("Linden Care" or the "Company"), a leading provider of specialty pharmacy services to the pain management industry, announced the addition of Anthony D. Luna as Executive VP of Sales.

Mr. Luna brings more than 22 years of experience in the healthcare industry, with over 20 of those years being in specialty pharmacy. Prior to joining Linden Care, Mr. Luna was at Allion Healthcare, where he held many positions, most recently as both an officer of Allion Healthcare and the President of MOMs Pharmacy. Prior to joining Allion, Mr. Luna worked at Modern Healthcare Inc., and various other specialty and healthcare companies.

Linden Care has distinguished itself by providing robust and differentiated compliance practices as well as a full suite of "specialty" services to meet the needs of patients, physicians and pharmaceutical manufacturers in the pain management sector. The Company has built a stellar team and continues to expand its successful strategy toward becoming the national center of excellence for pain management.

Marc Wiener, CEO of Linden Care said, "Tony's extensive experience and strong track record in building sales teams and selling strategies in the specialty pharmacy industry will help Linden Care expand its national footprint. We are pleased to add high-caliber individuals like Tony during this period of explosive growth".

Anthony Luna said, "I am thrilled to join such a dynamic and growing company. This is a very exciting time for the company and Linden Care's focus on service and compliance is exactly what the pain management industry needs and I look forward to developing Linden Care into a national brand".

About Linden Care

Linden Care, headquartered in Syosset, NY, is a leading provider of specialty pharmacy services to the pain management industry. The Company offers comprehensive and highly personalized specialty pharmacy services targeting multiple growth markets through a unique "concierge pharmacy" business model. Since inception, the Company has distinguished itself by providing robust and differentiated compliance practices as well as a full suite of "specialty" services to meet the needs of patients, physicians and pharmaceutical manufacturers. The Company will continue to expand this successful strategy, currently focused on the Northeast, throughout the rest of the country, becoming the national center of excellence for pain management.

About BelHealth Investment Partners

BelHealth Investment Partners, based in New York, is a healthcare private equity firm focused on lower middle market companies. BelHealth acquires majority positions in entrepreneur-owned companies we believe would benefit from our vast operating and private equity experience. The firm typically invests \$10-25 million per platform company across four healthcare segments: Services, Products, Distribution and Technology. Applying an active, hands-on approach, BelHealth utilizes its experience to support management to drive revenue, profit growth and achieve superior returns for our investors and partners.
